ABOUT NICK

The Godfather of the 'Alpha King' movement, Nick Adams motivates and inspires his 3M+ social media followers to 'level up' in every aspect of their lives.

Nick Adams is a Presidential appointee, four-time bestselling author, motivational speaker, television commentator, and Stage IV cancer survivor. Dubbed a "social media heavyweight" by the New York Post, Nick is one of the fastest-growing and furthest-reaching social media influencers in conservative politics, reaching millions every day.

He has appeared on virtually every major television and radio program. He founded and runs the Foundation for Liberty and American Greatness (FLAG), a non-profit organization that teaches civics and informs parents and students on the power of the American Dream.

Nick is an official surrogate for the Trump 2024 campaign. Three of Nick's bestselling books were endorsed by President Trump during his time in office, leading him to be named "the President's favorite author."
